

# CHINESE COMMUNITY OF

## Thanksgiving Celebration

The CCA will host the 34<sup>th</sup> Annual Thanksgiving Celebration at the Community Center on Nov. 22, 2015. We will gather again and give thanks for the bounty of this past year. Join us as we try to find a winner for a flat screen television. The ticket sales from the raffle will support the CCA Scholars and other worthy charities. As always we welcome any additional prizes from our community members. These unique contributions always add spice to the raffle. A Thanksgiving meal will be served at 1 PM. Come early and socialize.

## The CCA Year In Review

The CCA celebrated the early beginning of 2015 with the Chinese New Year Celebration and Lion Dance. It was the Year of the Sheep. Who can forget the Lion Dance at the Williamsburg Pottery Factory, Port Arthur Restaurant, BoardWok and Westminster Canterbury? Later this Spring/Summer we worked 2 events for Fest Events at Town Point Park in Norfolk. The CCA again had a CCA Community Yard Sale. It was a great time to hunt for a bargain. The 13<sup>th</sup> Annual CCA Golf Tournament was held again at Sleepy Hole Golf Course. It was a day of great weather, good food and fun golf. Come join us at the on Nov. 22, 2015. It is a great time to catch up on recent births, marriages and graduations. The doors will open at Noon. Please RSVP so we can accurately provide the food and table settings needed.

## Flu Vaccines will be available at Thanksgiving

If you need a Flu shot - The vaccine will again be available at the Chinese Community Center during the Thanksgiving Day Celebration. If you have an Egg allergy you should not get the vaccine. Each year hundred of thousands are infected and sadly several thousand die from influenza related complications / pneumonia. The Flu vaccine is not a live virus. You cannot get the Flu from the injection. The cost of the injection is \$10 a shot. Any monies collected will be given to the CCA Scholarship Fund. A new Pneumonia vaccine is also available this year at your doctor's office. Prevar is a booster shot against pneumonia. These Vaccines are great insurance policies against possible life threatening infections.

- CCA Scholars 2016 – Lion Dance
- CCA Elections 2016 – Fest Events
- CCA Picnic 2016 – Yard Clean up
