October

Thanksgiving Celebration

November 20th, 2016

The CCA will host the 35th Annual Thanksgiving Celebration at the Community Center on November 20th, 2016. We will gather again and give thanks for the bounty of this past year. Join us as we try to find a winner for a flat screen smart television. The ticket sales from the raffle will support the CCA Scholars and other worthy charities. As always we welcome any additional prizes from our community members. These unique contributions always add spice to the raffle. A Thanksgiving meal will be served at 1PM. Come early and socialize.

Flu Vaccines

If you need a Flu Shot – The vaccine will be available at the Chinese Community Center during the Thanksgiving Day Celebration. If you have an Egg allergy you should not get the vaccine. Each year, hundreds of thousands are infected and sadly several thousand die from influenza related complications / pneumonia. The Flu vaccine is not a live virus. You cannot get the Flu from the injection. The cost of the injection is \$10 a shot. Any monies collected will be given to the CCA Scholarship Fund. A new Pneumonia vaccine is also available this year at your doctor's office. Prevar is a booster against pneumonia. These Vaccines are great insurance policies against possible life threatening infections.

- Monthly Senior Citizen Luncheons
- 2017 CCA Scholars
- CCA Chinese New Year Celebration
- Lion Dance
- 2017 CCA Elections
- Fest Events

35th Thanksgiving Celebration - November 20, 2016 - Sunday
